ALLROUND TRANSPORT

ROAD, AIR & SEAFREIGHT

Allround Transport BV is an international logistic company, located in Rotterdam, the biggest port of Europe, specialized in roadtransport Europe and sea- & airfreight worldwide.

ALLROUND TRANSPORT BV - ROTTERDAM - THE NETHERLANDS

ALL OVER THE WORLD...

We always offer the best logistic solution to our customers and thanks to our skilled employees which speak different languages, you are assured of receiving the best possible service against competitive rates.

Roadtransport, intermodal, sea- or airfreight separately or in combination, they are all in the right hands with Allround Transport.

- **Roadtransport** We do partial, complete, groupage, adr, exceptional loads and projectcargo by road with the equipment requested throughout whole Europe.
- **Seafreight** From all ports in the world we can handle your FCL, LCL, RORO, BREAKBULK and PROJECTCARGO included warehousing, customs and door to door delivery.
- **Airfreight** From all airports in the world, we can handle your shipments included customs.
- **Intermodal** We offer different intermodal solutions within Europe.
- **Customs** We handle all necessary customsformalities included fiscal representation for other EU-countries.
- **Express services** Express services for all your urgent shipments worldwide.
- **Cross trade** Worldwide we can offer crosstrade possibilities to our customers to save money.
- **Coiltransport** Allround Transport offers, next to the standard equipment (tilt/box/frigo/ exceptional trailers), extra service in transport with coiltrailers from and to Sweden. All coiltrailers have gps and are always accompanied by skilled drivers.

Our team of enthusiastic co-workers with a great passion for building up a good relationship with you will always try to provide you a full solution to any logistic problem you might have.

Without any doubt, we will coordinate your shipment with the maximum attention from beginning till end, providing the efficient and effective solutions by all means. Our clients always come first at Allround Transport.
