

Global reach backed by local expertise

FedEx Logistics makes it easier to manage air and ocean freight forwarding in Europe.

As an experienced international air and ocean freight forwarder, FedEx Logistics connects you with all major global markets – inbound and outbound, intercontinental and interregional.

Count on our local and international shipping expertise and wide range of solutions to manage all of your import and export needs whether you ship via air, ocean or land.

We maximize flexibility and efficiency while minimizing costs with reliable, end-to-end solutions:

- Global coverage and experience
- Relationships with dozens of commercial airlines and ocean carriers
- Daily flights and weekly sailing choices
- Distribution and warehousing
- Cargo insurance
- Regional gateway options
- Multimodal surface transportation: less-than-truckload (LTL) and full-truckload (FTL)
- Online shipment status tracking, visibility and reporting
- Customs brokerage arrangement

Air freight capabilities

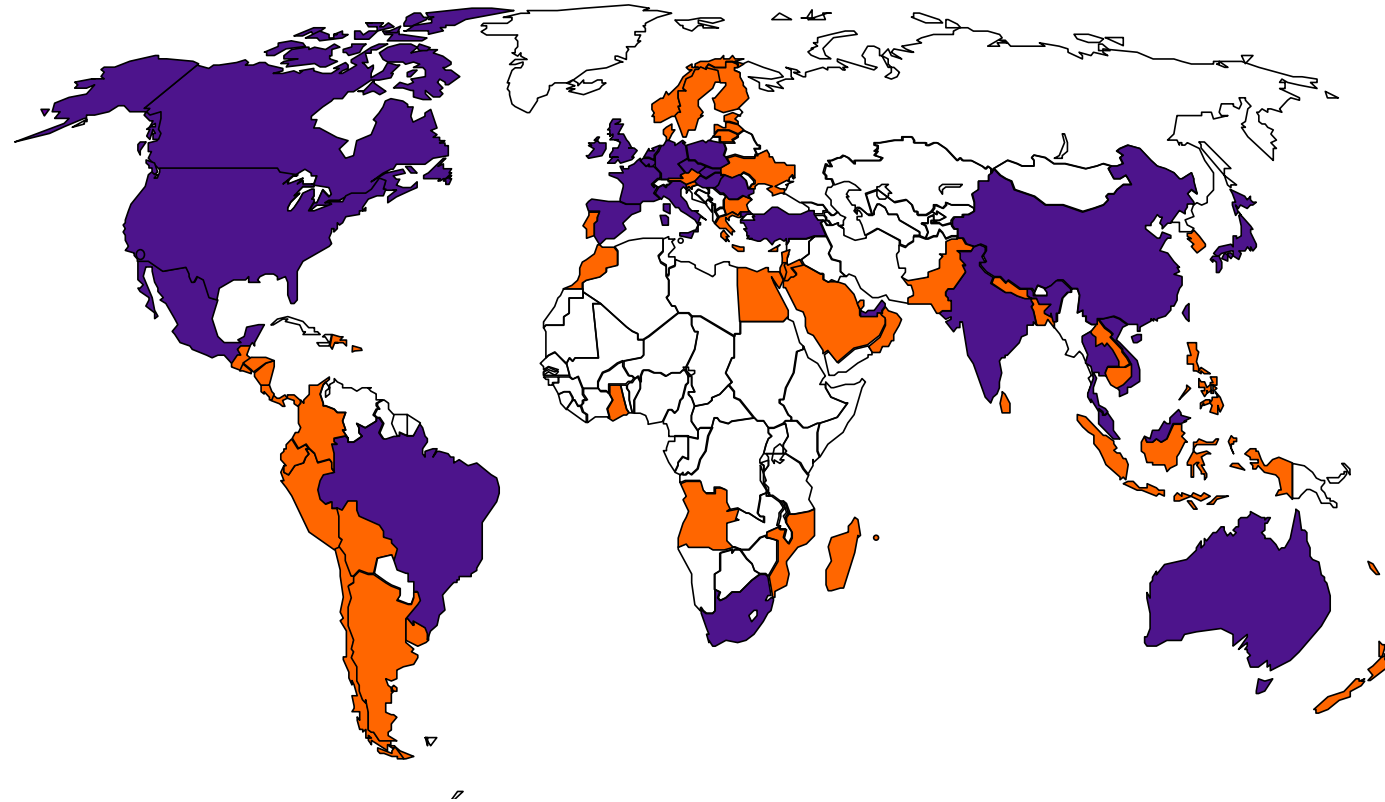

- Customized solutions at competitive rates
- Inbound and outbound services from most major airports around the world
- Extensive coverage, a network of owned offices and worldwide alliances to provide comprehensive coverage and global supply chain solutions
- Regional gateways for transit and cost flexibility
- Dedicated and experienced support with a single point of contact
- Airport-to-airport, airport-to-door, door-to-airport and door-to-door pricing options
- Transit time options for airport-to-airport (ATA) moves: standard, premium
- International document preparation
- Buyer's consolidation, palletization and direct-to-consignee services with routes that are pre-selected for speed and ease of transport
- Distribution, including origin pickup and destination delivery
- Customs brokerage arrangements and online tracking tools

Ocean freight capabilities:

- Our ocean freight forwarding services can be customized for your product, schedule, pickup and delivery options
- Flexible sailing, transit, service and pricing options connecting to the FedEx network
- Full-service door-to-port, port-to-port, port-to-door and door-to-door transportation management
- Full-container load (FCL) and less-than-container load (LCL) options
- Regular consolidated LCL containers between Asia, Europe, Latin America and North America
- Direct international LCL with FedEx Freight delivery in the U.S.
- Special cargo: dangerous goods, open top container, oversized cargo (flat rack, breakbulk, etc.)
- Buyer's consolidation services to reduce fees
- Customs brokerage arrangements and online tracking tools
- Dedicated and experienced support with a single point of contact
